

## Online Webinar: Ecosystem of AI industries in the Edmonton Region designated as a strategic centre of the “Pan-Canadian Artificial Intelligence Strategy” and Introduction to Upper Bound 2024 (AI Tech Event)

Japan Overseas Investment Corporation for Transport and Urban Development (referred to as "JOIN") (Chiyoda-ku, Tokyo, President & CEO: Tatsuhiko Takesada) is pleased to announce our collaboration with Edmonton Global, the Alberta Machine Intelligence Institute (Amii), and the Japan Institute for Overseas Investment (JOI) for an upcoming online webinar.

The webinar will be held for participants to explore new business opportunities in the field of Tech & AI in the Edmonton region, one of the three designated centres of the Pan-Canadian Artificial Intelligence Strategy. It is also intended to encourage participants wanting to adopt AI research activities in real infrastructure businesses to pursue the possibilities of collaboration with local partners and start-up companies and gain insights on what to expect at the upcoming Upper Bound Conference (May 21 – 24, 2024).
